

September 30, 2024

Dear Business Owner,

The Sherwood Bowl Youth Bowling Club supports athletes from the ages of 3 to 19. Participation in the Youth Bowl Canada Program teaches kids about; getting active, improving coordination, balance and motor skills, interaction with peers, sportsmanship and fair play, team dynamics and setting and accomplishing goals.

We hold in house tournaments and some athletes do have the opportunity to travel outside to other centers and some across Canada.

In order for us to keep our program running and help some families that can't afford to join into the programs to provide and pay for lineage for tournaments, entry and registration fees, awards for their achievements we need your support. We are hosting a silent auction between the dates of October 28 thru to November 10, 2024 and hoping that your company can help support our youth. Should you be able to donate, please ensure that we have your business card is attached to your donation for us to mention your support on our sponsor board.

From all the bowlers, parents and coaches, we thank you for consideration in helping to support our local youth bowling club.

Thank you again,

Wendy Wiseman
