Fundraising Fees

Annual National Chocolate Fund

All bowlers in all divisions are required to sell 1 case of chocolates to qualify for the YBC National Championships.

The campaign runs from September to December annually. Chocolates will be dispersed to bowlers mid September. A \$50 deposit OR full payment of \$150 MUST be paid prior to receiving your case.

You have the option to pre-pay the \$150 or the \$50 deposit for your case of chocolates.

Fundraising Deposit: \$50

The YBC Program is a non-profit sports organization that is housed through the 5-Pin bowling centres in their designated zones. Therefore, our program relies heavily on fundraising to assist with additional costs through the year associated with your child's successes and positive experiences such as tournament shirts, weekly, monthly and yearly awards and/or prizes, tournament lineage, special parties, or events throughout the bowling season (Halloween, Christmas, etc.).

Proceeds strictly benefit Sherwood Bowl's own in house YBC bowler program costs.

All families are required to pay \$50 fundraising deposit per child due at registration. Deposit will be returned after their 1 fundraising obligation (per child) is completed.

Fundraising options are included on the Payment page.

2026/27 Media Consent Form (Please submit this page)

FAQ's and Information Sheet (Please keep this page)

When does the 2026/27 season start?

The first days of league play are as follows:

Saturday, September 12, 2026 at 9am

Sunday, September 13, 2026 at 4:30pm

What is the Sunday Match Play format and why is it only for Junior and Senior Divisions?

Our Sunday league is a more competitive league for our Junior and Senior Divisions. Played out in a handicapped match play format, there are 3 divisions based on bowler's averages (A, B or C). Each division plays each other weekly. Each "match win" by bowler or team receives 2 points. Total team points are also worth 2 points. Total points awarded per game is 8 and weekly 32.

For example:

<u>Team 1</u>	Game	Handicap	Score	<u>Team 2</u>	Game	Handicap	Score
Len	175	50	225	Charlotte	180	25	205
Scott	200	80	280	Shannon	200	65	265
Palmer	225	25	250	Chris	260	20	280
Total:	600	155	755	Total:	640	110	750

Based on final scores, Team #1 would have 6 points as Len, Scott and Total would have received 2 points won. For their wins, Team #2 would have received 2 points for Chris' win.

Starting two years ago, Sunday Match started at 4:30pm instead of 5pm as bowlers are now bowling 4 games a week instead of 3 games. There will be less weeks allotted. However, there will still be the equivalent total number of games played in the season as previous years when only 3 games bowled. We noticed there was an extremely low participation rate for league play after some high participation tournaments that finish late Sunday afternoon. Therefore, on those tournament days there will be no bowling on Sunday, which means there will be less weeks bowled during the year. We are hoping this will help assist families and bowlers to not feel as rushed in time commitments.

How long does the YBC season run?

The YBC season typically commences in September.

The **Saturday League** runs until the end of April with our year end wind up and banquet occurring in the first half of May.

The **Sunday League** runs until the end of March/early April with our year end wind up and banquet occurring on the last day of bowling.

What is SPOND?

SPOND Is an app that is highly rated and safe for sport and community groups and programs. Everything YBC related can be found within the app including announcements, tournaments, events and program contacts. Families will receive an e-mail inviting them to the Sherwood Bowl YBC group upon Registration. The app can be downloaded from the App store or on Google Play. There is no cost to the program.

The app is set up to invite families into their child's division and any teams they may be part of throughout the season so you can easily be informed of everything specific to you and your child.

Coaches will also be added and will be able to message their teams from within the app. Families will also be able to message all Administrators and vice versa. This helps keep the lines of communication open all in one place, so no messages will get missed.

Everyone will have access to the main communication board where all upcoming events, notices, fundraisers, and updated information will be posted. Families will also have access to files such as forms, the YBC Parent Handbook and policies as well as photos.

***Disclaimer**

By accepting the invite to the YBC Group on SPOND, you will be hereby agree to the following terms:

- * Families and bowlers will not post or share photos from within the app of any bowler other than their own without consent to social media or on the web.
- * Families and bowlers will not invite outside members of the community unaffiliated with the Sherwood Bowl YBC Program.
- * Any and/or all comments or messages within the app that contain derogatory language, bullying, abuse or any other form of unacceptable behavior will result in immediate removal from the group and further disciplinary action may be implemented.
